VENDORS

Tavaro also offers in-house décor support for couples who prefer a seamless, venue-led experience. For those looking for a more bespoke celebration, couples are welcome to work with their own vendors.

We can also connect couples with our trusted network of décor, photography, entertainment, planning and other event partners, based on their requirements, style and budget.

This gives couples the freedom to either keep things simple with Tavaro's in-house support or bring together a team of trusted specialists to create their celebration their way.
